

ANNUAL MULTIDISCIPLINARY YOUTH ACADEMIC RESEARCH CONFERENCE

«Science Present and Future: Research Landscape in the 21st century»

Organizers: Department of Foreign Languages and Philosophy, Irkutsk Scientific Center.

Participants: graduate and postgraduate students, scholars doing research in a broad variety of fields and eager to share scientific outcomes with the professional community.

Venue: Irkutsk Scientific Center, Irkutsk, Lermontov str., 134.

Date: May 23, 2024.

The aim of the Conference is to bring researchers and professionals to discuss recent developments in both theoretical and applied areas, to create the knowledge exchange platform and stimulate discussion on key interdisciplinary issues.

Working language: English

Selected papers presented at the conference will be recommended for publication in the Conference proceedings.

We invite abstracts, papers, and proposals in any of the following five tracks:

1. Maths and IT Technologies
2. Power Engineering and Technology
3. Life-sciences on the Cutting Edge of Science
4. Geosciences, Solar Sciences and Hydrosciences: New Frontiers
5. Linguistics and Language Acquisition

Guidelines for proposals and submissions:

* Proposals should clearly state the desired track of the Conference, include name and institutional affiliation, report topic, a telephone number and e-mail address.

* Abstracts should clearly state research questions, approach, method, data and (expected) results.

* Abstracts in Word format should not exceed 100 words (including examples, title and references). Only references mentioned in the text may be listed.

* All the proceedings are in electronic format since this makes it easier to disseminate the articles.

* Delegates may also attend a conference without submitting or publishing any research.

Guidelines for oral presentations and poster sessions:

* Authors may deliver their work during the conference either as (i) a 10-minute oral presentation (+5 minute Q@A session), (ii) a poster session, (iii) a workshop.

* The presentation room will be equipped with a laptop, a digital projector and a projector screen. The laptop will be set up for Powerpoint presentations. Linux and Mac users are asked to save their presentations in a compatible format.

Important dates:

April 17, 2024 – deadline for proposal submission.

April 29, 2024 – deadline for theses submission.

May 17, 2024 – program publication.

May 23, 2024 – conference.
